CALL FOR ABSTRACTS
Deadline: December 1, 2017

CONFERENCE CHAIRS:

Shawna C. Willey, MD
MedStar Regional Breast Health Program
MedStar Georgetown University Hospital
Washington, DC

David H. Song, MD, MBA
MedStar Georgetown University Hospital
Washington, DC

March 1 – 3, 2018
Grand Hyatt Washington
Washington, D.C.
Breast cancer is the most common cancer affecting women. Diagnosis and treatments are part of the practice of a wide number of medical specialists and there are national initiatives calling for a multidisciplinary approach to the care of breast cancer patients. The multiple components and aspects of the treatment of breast cancer require a high level of coordinated care among different specialties. This coordination becomes even more challenging because of the rapid evolution of new treatment modalities and is especially important due to the possibility of improved outcomes both in terms of curing the disease, as well as maintaining the physical and psychological well-being of the patient.

This three-day symposium will evaluate and discuss different models for coordination of breast cancer care from major centers across the United States. The program will include debates regarding controversial treatments such as nipple-sparing mastectomy and the timing of reconstruction vis-a-vis post-mastectomy radiation therapy. The meeting’s intent is not only to educate the faculty and attendees about the wide range of options available for breast cancer coordinated care, but also to encourage the development of more standardized treatment strategies and protocols for the local treatment of breast cancer.

Target Audience
This program is specifically designed to be a multidisciplinary program and is intended for a wide range of medical practitioners who are interested in the latest information regarding the local treatment of breast cancer. The program is purposely targeted for general, plastic, breast and oncologic surgeons, as well as radiation and medical oncologists. It is also intended for primary care physicians, oncology nurses and practitioners, physical therapists, occupational therapists, genetic counselors and hospital administrators who have an interest in the treatment of breast cancer patients.

CME Accreditation
MedStar Georgetown University Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
MedStar Georgetown University Hospital designates this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Online Registration Preferred**

Please visit our secure website at www.BC3conference.com for updated program and registration information. We are unable to accept registrations or cancellations by telephone. If you wish to pay your registration fee by check, please download and print a registration form and mail it to the address on the registration form with your check.

All registrations will be confirmed by email only. Please use an email address that you check regularly. If you have questions regarding registration or do not receive an email confirmation of your registration within 1-2 business days, please contact us at medstarBC3@gmail.com or 202-780-1624.

**Cancellation Policy**

Cancellations made in writing by Friday, January 5, 2018 will be subject to a 50% penalty. No refunds will be given after January 5, 2018. Cancellations will not be accepted by telephone. In the unlikely event that the course is cancelled, MedStar Health will refund the registration fee, but is not responsible for any travel costs.

Please call email medstarBC3@gmail.com if you have any questions or need any additional information.

---

**Call For Abstracts**

MedStar Georgetown University Hospital is pleased to invite you to submit an Abstract for presentation at the Breast Cancer Coordinated Care Conference. Abstracts for the poster session will be selected on the basis of their scientific merit and content quality. This is your chance to interact with surgeons, oncologists, physicians, and nurses, and to educate and expose your work to leaders in your field.

**SUBMIT YOUR ABSTRACT ON OUR WEBSITE WWW.BC3CONFERENCE.COM BY DECEMBER 1, 2017**
Register today for the 2018 Breast Cancer Coordinated Care (BC3) Conference, taking place March 1 – 3, 2018 at the Grand Hyatt Washington in Washington, D.C.

Network with 1,000+ breast surgeons, plastic surgeons, general surgeons, radiation oncologists, medical oncologists, oncology nurses and other healthcare professionals in the field of breast cancer care

Learn from 35+ nationally and internationally renowned faculty

Take advantage of the incomparable conference location blocks from the White House, Washington Monument, Smithsonian Museums and the National Mall, near DC’s dynamic downtown dining and shopping

Stay minutes from Reagan National Airport (DCA) and easily utilize the Metro, which is accessible through the hotel lobby

Save on expenses! Conference reception, breakfasts, and lunches are included with your registration

Register by December 1st for Early Bird Pricing

Please call the Grand Hyatt Washington reservations at 202-582-1234 or visit our website at www.BC3conference.com/hotel-travel to reserve a room at the group rate.

When making reservations by phone, please indicate that you are part of the "Breast Cancer Coordinated Care" group. The cut-off date to book hotel rooms is Friday, February 2, 2018.
